Dear VJH Parents and Guardians;

The first week of school for this school year is almost in the books and I would like to give you an update as to how the first week went. I would first like to say thank you for all your support and cooperation! All VJH families have been great. It is wonderful to have our school full with students and staff once again.

All students are happy to be back and are adhering to the new rules and routines. The bus drop off (am.) and pick up (pm.) is improving. I have talked to the bus drivers and they are pleased how things are going. Split recess and lunch has been an adjustment but we are slowly figuring things out. We have gone 4 days through the schedule and have had only minor issues. I hope that day 5 and 6 have no issues. Knock on wood! Our staff is learning a new information system (PowerSchool). This system has a parent app. More on this, in the next few weeks. If you have any concerns or questions, please let me know. I'm looking forward to the school year. We are off to a great start!!!!

Sincerely,

Mr. D. Nahachewsky
