Dear VJH Parents and Guardians;

Happy New Year! I hope everyone had a good break. I had a good one considering the Public Health Orders. It was a good rest! VJH is a different place without the 7's+8's. They are now in remote learning. The Gr. 5+6's have settled back in to a routine. The downstairs is a very quiet place! Remote Learning has been going well. There were a few bumps but we have figured them out and students are receiving live, synchronous lessons. We definitely miss all those students! It is great to see the outdoor rink so busy. The weather is fantastic and many people are taking advantage. I look forward to the end of level Red and having all our students back in class. Take care! Be Kind! Be safe!

Sincerely,

Mr. D. Nahachewsky
